

## COVID-19

## PERSONAL INFORMATION

### Collection of contact information from passengers

At your point of entry health authorities will ask you for a certificate on advance testing and, if necessary, direct you to get tested. In addition, they will ask for your contact information so that the communicable disease control physician in your municipality of residence or the municipality in which you are staying can contact you to provide directions on how and where to get tested in 72 hours as well as to provide more information. Testing and disclosure of information are voluntary.
