

Online Check-in - Step by Step

Checking in online is simple and can be done anywhere. Just follow the steps outlined below.

Early check-in is open 30 days from the time of departure and is available with the purchase of a seat. **Standard (free) check-in** is open 4 days from the time of departure.

- Go to www.ryanair.com or access the Ryanair app
- Select the CHECK-IN option

- Retrieve your booking – to do this you must have your Ryanair reservation number and the email address used to make a booking

- Error messages can happen. Don't worry; it is usually something very simple, like a mistyped letter or number in your reservation number or a typo or incorrect email address.
- Once you have retrieved your booking you will then have the opportunity to select and purchase your seats if you haven't already done so. If you wish to bypass this you should proceed to "Check-in now".
