Thank you for choosing to fly Ryanair today, please sit back, relax, and let our wonderful cabin crew take care of you. Why not either start your New Year by treating yourself or someone else from our amazing range of fragrances, cosmetics, and gifts at amazing value with great savings vs the High Street and Online.

RETAIL THERAPY.

Now that you are settled, let me make some **Runway Retail** recommendations to help you enjoy your trip and tick some Christmas gifts off your list! If you are travelling to a Duty-Free destination, be sure to ask our Cabin Crew about our amazing Duty-Free offers. We have a helpful gift guide on pages 28-29, where we are sure you can find the perfect gift for even those hard to buy for people! This winter we have brought back one of the all-time favourites in Davidoff Cool Water at an amazing €30, an absolute classic at a great value. Looking for something new, why not try Carolina Herrera Bad Boy for €58.40 or Jean Paul Gaultier Scandal for €60.80, saving 20% vs High Street prices.

We would also recommend the new fragrance from Prada called Prada Paradoxe for €73.60 or Boss Alive for €60 making the ideal gifts and again great savings. We have plenty of choice through our €20 fragrance range or why not pick up any of our cosmetics and gifts such as Elizabeth Arden creams, Moroccanoil or Lifestyle watches, all for under €20. We will also be running promotions at certain times through the Spring which our Cabin Crew will be happy to let you know what further amazing offers you can avail of.

FEELING HUNGRY?

We have plenty of choice with great value for you and your family with our meal deals on page 55 of the **Getaway Café** menu. Our €9.99 meal deal is a firm

RYANAIR GIVING BACK

HOW DID YOU HELP?

RENATURE MONCHIQUE

Renature Monchique was established by Ryanair as part of its Carbon Offset Initiative in partnership with GEOTA, ICNF, the Algarve Tourism Board and The Municipality of Monchique in 2019 to help with the region's reforestation following the largest wildfire to have ever hit Europe back in 2018.

FIRST CLIMATE

Ryanair has worked with First Climate since 2019 in support of the Uganda Cookstove Project, which distributes energy efficient cookstoves to households in the Kampala region. Besides saving on fuel costs, these improved cookstoves reduce greenhouse gas emissions and contribute to the conservation of native woodland in Uganda.

SCRATCH CARDS

Available to buy onboard, Ryanair Scratch Cards offer guests the opportunity to win cash prizes, electric cars and the chance to scoop an impressive €1 million – with ongoing donations made to numerous charities across Europe.

Scratch Cards are only €2, or €10 for a 7-for-5 multi-pack. **Extra value deals:** Single cards @ 5 for €5, and multi-packs @ 2 for €10, with the chance to win money to spend onboard, only in multi-packs.

Helping children's charities:

OUR CHARITIES

As Europe's no. 1 airline, Ryanair is committed to giving back to charities and organisations that truly have impact in the countries and communities they serve. Ryanair's current charity partners are the ISPC (The Irish Society for the Prevention of Cruelty to Children) – its nominated charity in Ireland, and across Europe, Ryanair supports Pequeño Deseo ("Little Wishes").

ISPC CHILDLINE

Provides a range of services directly to children and families and advocates for change to enhance the lives of children in Ireland. Ryanair has worked with the ISPC on numerous campaigns and initiatives to help their mission of making the protection of children everyone's priority. We are proud to partner with ISPC Childline for the sixth consecutive year, having donated more than €500,000 to date.

PEQUEÑO DESEO

Is Spanish non-profit organisation. Its mission is to make the wishes of children with chronic illnesses or poor prognosis come true in order to support them emotionally and make their illness more bearable. Ryanair has worked with Pequeño Deseo for over 5 years as one of its Scratchcard charity partners, and has selected the Foundation as its chosen European charity partner for the third year running, having donated over €400,000 to date.

RYANAIR AND THE ENVIRONMENT

Ryanair aim to be the leader in sustainable aviation, operating high load factors on one of the industry's youngest fleets with the latest engine technology.

Although aviation represents a small proportion of global emissions, we play a pivotal role in tackling climate change. We have set out an ambitious decarbonisation strategy to reach net zero emissions by 2050 which will help us do just that. This strategy outlines four core strategic pillars:

34%

decarbonisation through the increased use of sustainable aviation fuels (SAF)

32%

decarbonisation through technological & operational improvements

24%

decarbonisation through offsetting & other economic measures

10%

decarbonisation through the introduction of better Air Traffic Management

YOU CAN MAKE A DIFFERENCE

With Ryanair's Voluntary Carbon Contribution Programme, customers can offset their environmental impact when they fly. Using our new Carbon Calculator customers can now choose to fully offset their flight or alternatively make a carbon contribution at the end of the booking process. 100% of these funds are distributed annually to environmental charities and NGO's.

MESSAGE FROM OUR DIRECTOR OF SUSTAINABILITY

Thomas Fowler

We are working tirelessly with our team and strategic partners to lead the way in making aviation more sustainable. With more than 1/3 of its decarbonisation to come from the increased use of SAF, Ryanair is working with the EU and fuel suppliers to accelerate supply of SAF. As part of this, Ryanair established the Ryanair Sustainable Aviation Research Centre in partnership with Trinity College Dublin. This partnership will deliver research in SAF, Zero Carbon Aircraft Propulsion Systems and Noise Mapping.

Ryanair will continue to invest in new technology, aircraft, as underpinned by our \$22bn commitment to purchase 210 Boeing 737-8200 'Gamechanger' aircraft. These aircraft carry 4% more passengers, reduces fuel consumption & CO₂ by 16% and lowers noise emissions by 40%.

While we've already come a long way, we will continue to lead the sustainable aviation agenda in European aviation as we embark on our ambitious Pathway to Net Zero by 2050.

€5.4m

With the help of our customers, we have raised over €5.4m so far.

BOSS

BOTTLED PARFUM
THE NEW INTENSITY

BOSS

To be your own BOSS is to live like one.

To be a man who trusts his instincts. He doesn't wait for things to happen, he makes things happen. He takes control of his life because he knows the best things come to those who act. That strength and distinction come from truly knowing himself. His sophistication is striking, his warmth inspiring. BOSS Bottled Parfum reflects his powerful attitude; a deep woody-ambery spicy scent with a noble heart of orris concrete and fig tree root accord.

Created by perfumers Annick Ménardo and Suzy Le Helley, BOSS Bottled Parfum elevates the iconic BOSS Bottled perfume fragrance family to the next level with the highest concentration yet. A rich and textured men's perfume, the woody green scent opens with notes of zesty mandarin and spicy incense perfume oils. It reveals its depth and power with its heart of orris concrete and fig tree root accord, which expresses his powerful charisma. Woody base notes of cedarwood essence and vegetal leather accord add signature warmth, lasting intensity, and enduring power.
