WARMEST WELCOME

DEAR CUSTOMER, SUMMER IS HERE AGAIN!

Thank you for choosing to fly Ryanair today, please sit back, relax, and let our wonderful cabin crew take care of you. Why not either start your summer by treating yourself or someone else from our amazing range of fragrances and cosmetics at amazing value with great savings vs the High Street and Online.

RETAIL THERAPY.

Now that you are settled, let me make some **Runway Retail** recommendations to help you enjoy your summer getaway. If you are travelling to a Duty-Free destination, be sure to ask our Cabin Crew about our amazing Duty-Free offers. There is amazing value to be found on pages 32-33 which feature all our summer deals on well-known fragrances, starting from just €20! We have a helpful gift guide on pages 44-45, where we are sure you can find the perfect gift for even those hard to buy for people!

We would also recommend our bestselling cosmetics by Kylie Jenner. This lip kit has become a favourite since it was introduced this year. Or why not try the new eye shadow colour palette from Clarins, 8 shades for just €18. Our Cabin Crew will be more than happy to give you more details of the products on board today, so please ask as they pass through the cabin.

FEELING HUNGRY?

We have plenty of choice with great value for you and your family with our meal deals on page 3 of the **Getaway Café** menu. Our € 9.99 meal deal is a firm favourite and offers great value for money. New for this summer, we are delighted to introduce three new drinks to our already stellar line up.

Already on board since January is Gunpowder Irish Gin and we are also adding Teeling Small Batch Irish Whiskey, both award winning drinks. Something a little different for this summer is the introduction of a Ready to Drink can of Bombay Sapphire Gin, premixed with tonic. With that line up, we are sure there will be something to suit everyone's taste.

FEELING LUCKY?

Why not have a go at our scratch cards! Not only will you be helping children's charities, but you could win yourself a voucher to spend onboard worth up to €10, an instant cash prize of up to €1,000 or a shiny new Electric car! You could even hit the jackpot and 'Win a Million' in our annual game. To see details of previous winners and our charity partners see pages 24-25. Don't miss the opportunity to win big and help some well deserving charities at the same time. There's a new special value deal onboard right now – €5 cards for €5, a 50% saving!

Don't miss the opportunity to win big and help some well deserving charities at the same time.

It's our pleasure to welcome you back on this Ryanair flight and we hope you enjoy your time travelling with us today. Our Cabin Crew are here to do everything they can to make your flight as comfortable and enjoyable as possible so please do not hesitate in letting them know if they can help any further.

Wishing you and your family a very happy, fun filled summer and hopefully with lots of sunshine too!

RYANAIR GIVING BACK

HOW DID YOU HELP?

RENATURE MONCHIQUE

Renature Monchique was established by Ryanair as part of its Carbon Offset Initiative in partnership with GEOTA, ICNF, the Algarve Tourism Board and The Municipality of Monchique in 2019 to help with the region's reforestation following the largest wildfire to have ever hit Europe back in 2018.

FIRST CLIMATE

Ryanair has worked with First Climate since 2019 in support of the Uganda Cookstove Project, which distributes energy efficient cookstoves to households in the Kampala region. Besides saving on fuel costs, these improved cookstoves reduce greenhouse gas emissions and contribute to the conservation of native woodland in Uganda.

SCRATCHCARDS

Ryanair Scratchcards, available to buy onboard, offer customers the opportunity to win cash prizes, luxury cars and the chance to scoop an impressive €1 million – for just €2 per ticket and with ongoing donations made to numerous charities across Ireland and Europe.

Scratchcards are only €2, or €10 for a bundle. Available to purchase onboard your Ryanair flight today.

All for a worthy cause:

OUR CHARITIES

As Europe's no. 1 airline, Ryanair is committed to giving back to charities and organisations that truly have impact in the countries and communities they serve. Ryanair's current charity partners are the ISPCC (The Irish Society for the Prevention of Cruelty to Children) – its nominated charity in Ireland, and across Europe, Ryanair supports Pequeño Deseo ("Little Wishes").

ISPCC CHIDLINÉ

Provides a range of services directly to children and families and advocates for change to enhance the lives of children in Ireland. Ryanair has worked with the ISPCC on numerous campaigns and initiatives to help their mission of making the protection of children everyone's priority. We are proud to partner with ISPCC Childline for the sixth consecutive year, having donated more than €500,000 to date.

PEQUEÑO DESEO

Is Spanish non-profit organisation. Its mission is to make the wishes of children with chronic illnesses or poor prognosis come true in order to support them emotionally and make their illness more bearable. Ryanair has worked with Pequeño Deseo for over 5 years as one of its Scratchcard charity partners, and has selected the Foundation as its chosen European charity partner for the third year running, having donated over €400,000 to date.

RYANAIR AND THE ENVIRONMENT

Ryanair aim to be the leader in sustainable aviation, operating high load factors on one of the industry's youngest fleets with the latest engine technology.

Although aviation represents a small proportion of global emissions, we play a pivotal role in tackling climate change. We have set out an ambitious decarbonisation strategy to reach net zero emissions by 2050 which will help us do just that. This strategy outlines four core strategic pillars:

34% | decarbonisation through the increased use of sustainable aviation fuels (SAF)

32% | decarbonisation through technological & operational improvements

24% | decarbonisation through offsetting & other economic measures

10% | decarbonisation through the introduction of better Air Traffic Management

YOU CAN MAKE A DIFFERENCE

With Ryanair's Voluntary Carbon Contribution Programme, customers can offset their environmental impact when they fly. Using our new Carbon Calculator customers can now choose to fully offset their flight or alternatively make a carbon contribution at the end of the booking process. 100% of these funds are distributed annually to environmental charities and NGO's.

MESSAGE FROM OUR DIRECTOR OF SUSTAINABILITY

Thomas Fowler

We are working tirelessly with our team and strategic partners to lead the way in making aviation more sustainable. With more than 1/3 of its decarbonisation to come from the increased use of SAF, Ryanair is working with the EU and fuel suppliers to accelerate supply of SAF. As part of this, Ryanair established the Ryanair Sustainable Aviation Research Centre in partnership with Trinity College Dublin. This partnership will deliver research in SAF, Zero Carbon Aircraft Propulsion Systems and Noise Mapping.

Ryanair will continue to invest in new technology, aircraft, as underpinned by our \$22bn commitment to purchase 210 Boeing 737-8200 'Gamechanger' aircraft. These aircraft carry 4% more passengers, reduces fuel consumption & CO₂ by 16% and lowers noise emissions by 40%.

While we've already come a long way, we will continue to lead the sustainable aviation agenda in European aviation as we embark on our ambitious Pathway to Net Zero by 2050.

€5.4m

With the help of our customers, we have raised over €5.4m so far.

BOSS

BOTTLED PARFUM
THE NEW INTENSITY

BOSS

To be your own BOSS is to live like one.

To be a man who trusts his instincts. He doesn't wait for things to happen, he makes things happen. He takes control of his life because he knows the best things come to those who act. That strength and distinction come from truly knowing himself. His sophistication is striking, his warmth inspiring. BOSS Bottled Parfum reflects his powerful attitude; a deep woody-ambery spicy scent with a noble heart of orris concrete and fig tree root accord.

Created by perfumers Annick Ménardo and Suzy Le Helley, BOSS Bottled Parfum elevates the iconic BOSS Bottled perfume fragrance family to the next level with the highest concentration yet. A rich and textured men's parfum, the woody green scent opens with notes of zesty mandarin and spicy incense perfume oils. It reveals its depth and power with its heart of orris concrete and fig tree root accord, which expresses his powerful charisma. Woody base notes of cedarwood essence and vegetal leather accord add signature warmth, lasting intensity, and enduring power.
